

HOW WE CAN INFLUENCE LEGISLATION IN THIS COVID 19 RESTRICTED SESSION

WE CAN:

Inform our club members on critical legislation at meetings/newsletters/e-mail/texts or on conference calls or Zoom meetings.

Testify orally or in writing on specific bills before a Legislative Committee.

Call/E-mail Legislators on the Committee to which the bill is assigned. Always try to stop bad bills in originating committee.

Request a Zoom meeting with your own Legislator or a Legislator on the Committee to present your view.

Post information on Social Media accounts; send e-mails to like-minded friends/neighbors/community associations.

Send "Letters to the Editor" to print and on-line news sources.

Call in to Talk Radio – particularly local shows. Highlight the issue not as a partisan.

Make 30 second to 1 minute U-tube video and upload it and/or send it to Club members; Legislators.

MFRW Rally at Lawyers' Mall in front of the State House – bring signs – give testimonials—invite legislators. Need a permit from the State Police.
