

THE SENATE OF MARYLAND
ANNAPOLIS, MARYLAND 21401

Standing Committees 2021 General Witness Guidelines

I. Bill Hearings and Briefings

- All Senate bill hearings and briefings will be held virtually via Zoom and streamed live on YouTube.
- During the first part of session, on days when the Senate floor does not meet, bill hearings generally will begin no earlier than 11:00 AM, as determined by the Chair of the Committee. On days when there are floor sessions, committees will schedule bill hearings based on the floor session schedule and number of bills assigned to the committee.
- All scheduled bill hearings will be posted in the Maryland General Assembly (MGA) hearing schedule along with the *Live* link to go directly to the meeting. Please check the schedule periodically for the most up to date information.
- The bill order will be posted in the MGA hearing schedule the morning of the scheduled bill hearing. The Chair of the committee hearing the bill will also announce the bill order at the beginning of each bill hearing and will update the audience on which bill will be called next at the start of the prior bills introduction.

Oral Testimony

- As stated in the COVID-19 Protocols for Session for the Senate, the number of witnesses to provide oral testimony on each bill will be limited. There will be up to four (4) witnesses in favor (proponents), two (2) favorable with amendments (FWA) witnesses, and four (4) witnesses in opposition.
 - **Proponents:** The bill sponsor will be able to select up to three (3) witnesses to testify on the Senator's bill. The sponsoring Senator will also be able to designate one of those witnesses as the "lead proponent." The fourth witness will be selected at random via the MGA witness sign up system. If the sponsoring Senator does not provide or designate any witnesses three days before the hearing date, those witness slots will be opened up to the public and all four (4) witnesses will be selected at random.

- **Favorable with Amendments:** One (1) witness will be randomly selected via the witness sign up system, and one (1) will be selected at the discretion of the Chair at least one day before the hearing.
- **Opponents:** Two (2) witnesses will be selected at random via the witness sign up system and two (2) will be reserved as organizational slots. The Chair will select the organizational slots from the witness sign up system to ensure that the organizations who most accurately reflect groups opposed are provided the opportunity to testify.
- All witnesses will have two-minutes and thirty seconds (2:30) to testify, with the exception of the “lead proponent” who will have five-minutes (5:00).
- All witnesses, **with the exception of the witnesses selected by the sponsor**, must create a “My MGA” account through the MGA website and must sign up through the MGA website. **Instructions on how to create a My MGA account will be available on the MGA website in advance of the 2021 Session.**
- Witness sign up will open two (2) business days in advance of a scheduled bill hearing and will be open from 10:00 am – 3:00 pm. Sponsor witnesses will be submitted to the committee by the sponsor of the bill and should not sign up through the MGA website.
- Late witness sign up will not be allowed.
- The Chair of each committee has discretion to expand the number of witnesses who testify on a bill in consultation with the minority party’s ranking member of the committee for an *expanded hearing*. This will be an extremely rare occurrence, and if expanded, the number of witnesses on a bill will double. For favorable witnesses, the bill sponsor will be able to select up to four (4) witnesses and the other four (4) witnesses will be selected at random.
- All selected witnesses will be notified of their selection the night before the scheduled bill hearing, and will receive the Zoom log-in information at that time. **Witnesses cannot designate someone else to take their slot.**
- Audio visual presentations will only be allowed from the bill sponsor and must be provided at least 24 hours in advance of the hearing date.
- All witnesses will testify via Zoom with a link provided, and must have their cameras on for their testimony.

Written Testimony

- Any individual or organization that intends to provide written testimony, including sponsor witnesses, must create a “My MGA” account on the MGA website. **Please**

note, sponsor witnesses should indicate that they are providing written testimony only (and should not sign up as providing oral testimony).

- Written testimony **must** be submitted two (2) business days in advance of a scheduled bill hearing and will be open from 10:00 am – 3:00 pm.
- Late testimony cannot be accepted.
