of Republican Women*

Red Scarf Day 2026

Dear Members of the Maryland Federation of Republican Women,

I am honored and humbled to address you as the President of the Maryland Federation of Republican Women, an organization rich in history, purpose, and unwavering dedication to our state and nation. It is a privilege that I do not take lightly.

The Maryland Federation has long stood as a powerful voice for conservative values, grassroots engagement, and strong, principled leadership. Our members work tirelessly in their communities, promoting Republican candidates, championing policies that support families, ensuring public safety, promoting economic opportunities, and protecting the freedoms that define our nation. It is your commitment that keeps our movement vibrant, resilient, and forward-looking.

As we embark on this next chapter together, my priorities are clear:

- **Strengthening our clubs** through enhanced communication, leadership development, and support for local initiatives.
- **Expanding membership** by engaging new voices, empowering young Republican women, and building bridges within our communities.
- **Increasing our impact** in elections by amplifying voter outreach, volunteer training, and strategic collaboration with county and state partners.
- **Upholding our legacy** of service, integrity, and advocacy in every corner of Maryland.

I am grateful for the trust you have placed in me, and I look forward to working alongside each of you. Together, we will continue to elevate the influence of Republican women across Maryland and ensure that our work leaves a meaningful, lasting impact.

Thank you for your dedication, your patriotism, and your belief in the mission of the MFRW. I am excited about what we can accomplish by being united, energized, and focused on the future.

With appreciation and determination,

Luanne Ruddell

Luanne Ruddell, President
Maryland Federation of Republican Women

Kate Strauch Sullivan is the founder and team director of SecuretheVoteMD, an election watchdog group dedicated to securing our elections through good policies, sensible legislation, and holding the local and state Board of Elections accountable through meaningful citizen engagement.

Following the 2020 elections, Kate drew on more than 30 years of experience in volunteer management and community fundraising—including growing an \$80 million book of business as a financial consultant at Merrill Lynch—to help safeguard accurate and secure elections. A Bucknell University graduate, former President of the Junior League of Baltimore, and longtime civic leader, Kate serves in multiple grassroots and election-integrity roles and has been recognized with the Baltimore County GOP Chairman’s Award and Citizen of the Year honors. She lives in Glen Arm, Maryland, with her husband of 25 years, Sean, and their four children, and is deeply grateful for her family and the dedicated citizens she works alongside every day.

SecuretheVoteMD – Who are we?

SecuretheVoteMD is an organization dedicated to securing our elections through good policies, sensible legislation, and holding the local and state Board of Elections accountable through meaningful citizen engagement. Our team includes experts in their respective fields -- attorneys, cyber security professionals, computer programmers, engineers, and regular Maryland registered voters who have spent 1000s of hours over the past 4 years digitally and physically canvassing our voter rolls and election process.

Political Activities – Maria Sofia, Chair

msofia9412@gmail.com

- The Political Activities committee offers guidance to clubs and individual members for election activities, promotes voter registration and voter contacts, coordinates campaign management activities, and coordinates MFRW efforts with local, state and federal campaigns. The Political Activities chair is the MFRW's contact with our Republican legislators and the Maryland Republican Party.

Program – Kathryn Jerrard, Chair

kjerrard11@gmail.com

- The Program committee scouts locations for statewide events, works with relevant committee chair(s) to determine needs, and presents to the Executive Committee (location, costs, logistics, etc.) for a final decision. The committee oversees logistics at the event.

SPECIAL COMMITTEES/POSITIONS

Article VIII Section 2 of the MFRW Bylaws allows the MFRW President to establish those special committees deemed necessary to accomplish the work of the organization. The chair of each special committee is a non-voting member of the MFRW Board of Directors.

Feel free to contact the committee chair with questions and suggestions or if you would like to join the committee.

NFRW Liaison - Vickki Birkett

vbirkett@msn.com

Americanism – Karen Tully, Chair

carefitz@comcast.net

- The Americanism committee explores opportunities to inspire patriotism in our members and our communities by fostering respect for the American flag and allegiance to the United States, its customs and its institutions. They are a resource for club programs and volunteer opportunities.

Awards – Sharon Carrick, Chair

sha54ron@verizon.net

- The Awards committee receives and verifies annual club awards submissions then presents MFRW club achievement awards at our Spring Board of Directors meeting. The committee also facilitates submission of the NFRW's biennial club and state awards, which are presented every two years at NFRW's Biennial Convention.

Literacy – Liz Mumford, Chair

lmumford2009@gmail.com

- The Literacy committee is your source for activities (book club, hosting an author, essay contest, etc.) that promote literacy. Clubs are encouraged to donate books to local libraries, senior centers and similar organizations.

THE LEGISLATIVE PROCESS

The Progress of a Bill

BUDGET, TAXES AND SPENDING

Current and projected programs and budgets are unsustainable. Urgent and detailed reconsideration of current and projected spending levels, taxes, and fees is needed to provide essential services at a cost that Marylanders' can afford.

CLIMATE / HOUSING / TRANSPORTATION

- 1) Modify Maryland's Climate Pollution Reduction Plan to reflect balanced energy policies that provide citizens multiple, reliable, and affordable energy choices.
 - a. The timeline for new and increased energy sources is out of sync with increased demand required to meet Plan mandates. Lost capacity from early power plant retirements has been ignored.
 - b. Mandates are extremely costly and unfairly limit citizens' rights to choose where and how they live (e.g. all electric homes, electric vehicles only).
 - c. Zoning changes allowing increased density or auxiliary dwelling units in communities of stand-alone single-family homes must remain with local government, not usurped by the State.
 - d. The plan burdens businesses, especially agriculture and manufacturing, with costly modifications (e.g. the "clean-heat" standard) that will lead to higher prices for everyone.
 - e. Allowing conversion of agricultural and forest land to solar-power generation betrays years of citizen and local government efforts and dedicated funds to preserve agricultural and forest land.
- 2) Repeal the automatic annual Consumer Price Index increase to Maryland's motor fuel tax.
- 3) The electric vehicle surcharge represents far less than a fair share of transportation construction and maintenance costs when compared to fuel tax paid by gas and diesel vehicles. A replacement (not additional) funding source is needed for the gas tax.

PUBLIC SAFETY -- Support for law enforcement and public safety requires that we:

- 1) Support increased training for police officers in non-lethal methods of restraint and control of individuals or groups, including training for de-escalating tense or potentially violent situations.
- 2) "Back the Blue" – Recruitment and retention have been negatively impacted by overzealous press, activists, and prosecutors, resulting in understaffing and reduced enforcement.
- 3) Develop and implement effective tests for drug intoxication distinct from alcohol intoxication. Statistics must differentiate between drug intoxication and alcohol intoxication.
- 4) Retain automatic referral of juveniles to adult court for the most serious and violent crimes.
- 5) Work cooperatively with Immigration & Customs Service through the 287(g) program to safely and peacefully transfer criminal illegals to federal custody
- 6) Strengthen penalties for those who:
 - a. Physically attack bystanders, police, or other protesters.
 - b. Set fires, destroy private or public property with graffiti or physical destruction, or participate in looting and theft during protests, demonstrations, or riots.
 - c. Use lasers or projectiles with the intent to obstruct or harm others.

ELECTION INTEGRITY

1) SUPPORT

- a. Government-issued photo ID requirement for voter registration and for voting
- b. Vote count accuracy and security
- c. Annual cleansing of voter rolls for ineligible voters and those who have died or moved.

2) OPPOSE

- a. Ranked choice voting and approval voting
- b. Mid-decade Congressional redistricting to facilitate gerrymandering for political gain.

CULTURE OF LIFE

1) SUPPORT

- a. Protection for pain-capable unborn children as a compelling interest of the state
- b. Education and action to address the deadly rise in fentanyl trafficking and fentanyl overdoses
- c. More effective treatment (vs. incarceration) for opioid addiction.

2) OPPOSE

- a. Physician-assisted suicide or “death with dignity” legislation
- b. All attempts to apply the “Right to Reproductive Freedom” constitutional amendment to gender affirming care or to restrict parental rights as they relate to reproductive care for minors.

EDUCATION

1) SUPPORT

- a. Altering the *Blueprint for the Future* to require that students perform at grade level, remove extra layers of bureaucratic control, and remove constraints on parental involvement (require parental knowledge or consent for education, social and health services).
- b. Fewer administrators / more teachers - fewer consultants / more tutors
- c. Education reform emphasizing the basics, with the goal of every child performing at grade level.
 - MCAP grade level proficiency rates for the 2024-2025 school year (grades 3-8):
 - Language arts – 50.8%
 - Mathematics – 26.5%
 - Science -- 25.6%
 - Reading -- 33% NAEP proficient – 8th grade students (2024)
- d. School choice (vouchers, charter schools, home schooling).
- e. Limit girls’ competitive sports to biological girls. Disproportional muscle mass and other physiological advantages in trans-identifying males increase the danger of life-altering injuries to biological girls and give trans-identifying males an unfair competitive advantage.

- ### 2) OPPOSE
- teaching, counseling, or promoting gender transition in schools, including agreements between Boards of Education and hospitals or clinics for “gender-affirming” counseling, treatments, or surgeries for children under 18 years of age.

The legislative process, the mechanism through which the laws of Maryland are enacted, is dynamic and complex. One hundred and eighty-eight men and women are elected every four years to serve in the State's legislative branch to enact laws that protect the interest of Marylanders. Legislation introduced in the General Assembly is a legislator's response to the needs or desires of his or her constituency.

In Maryland, an idea or concept must pass through many processes before it becomes law. Citizens of Maryland must approach their legislators to introduce a bill. If the legislator agrees to sponsor the legislation, the bill is drafted by the Department of Legislative Services, reviewed by the legislator, and prepared for introduction. Bills or resolutions may be introduced in advance of regular sessions.

First Reading: When the session convenes, the Reading Clerk reads the numbers and titles of the bills being introduced and indicates the committee to which they have been referred by the presiding officer.

Referral to Committee: The committees meet daily during the session to receive testimony and take action on bills referred to the committee. Since the legislature is instrumental in integrating public demands with public policy, citizens are encouraged to present their views on the proposed bills by mail or by personal appearance. Lobbyists representing organized interest groups, officials from State agencies, local government representatives, and other interested citizens speak at these hearings, to either oppose or support the proposed legislation.

The Department of Legislative Services prepares a fiscal analysis for each bill, and these fiscal notes are considered during the committee deliberations.

Second Reading and Floor Consideration: The bill is reported back to the floor by the committee with its recommendation (favorable, unfavorable, favorable with amendment, or rarely, no recommendation). If the bill is amended by the committee, a vote is taken on the amendment, and if passed, another vote is taken on the bill as amended. Committee action may be reversed, but this is infrequent.

Amendments can then be offered from the floor by any member. After all amendments are considered, the presiding officer orders the bill to be printed for its third and final reading.

Third Reading: The bill must be printed in its final version with all amendments included for third reading. No amendments may be presented on third reading in the bill's chamber of origin, and the bill must be passed by a majority of the elected membership.

Second Chamber: The procedure follows a pattern identical to that of the chamber in which the bill originated, except amendments may be proposed during third reading, as well as during second reading. If not amended in the second chamber, final passage may occur without reprinting.

Consideration of Bills Originating in One Chamber and Amended in the Second

Chamber: If amended in the second chamber, the bill is returned to the chamber of origin where a vote is taken on a motion to concur or reject the amendments. If concurrence is voted, a final vote is taken on the bill as amended, and action is complete. The bill is reprinted, or enrolled, to include the added amendments before it is presented to the Governor.

If the amendments are rejected, two courses of action are possible: 1) the amending chamber may be requested to withdraw its amendments or 2) upon refusal to withdraw the amendments, either chamber may request a conference committee to resolve the differences between the two chambers.

Conference Committee: Three members from each chamber are appointed to a conference committee by the presiding officers to reach a settlement on the proposed legislation. A report of a conference committee goes back to both chambers to be adopted or rejected without amendment. If the conference committee report is adopted, the bill is voted upon for final passage in each house. If the conference committee report is rejected by either house, the conference committee may be directed to reconvene, new members may be appointed, or the bill fails.

Presentation of Bills to Governor: Except for constitutional amendments and the budget bill, presentation of all bills to the Governor is mandatory. The budget bill becomes law upon its final passage and cannot be vetoed. Bills must be presented to the Governor within twenty days after adjournment of a session, and in the case of such bills, the Governor may veto within thirty days after presentation. If the Governor does not veto a bill, it becomes law. The Governor may not veto a constitutional amendment.

Veto Power: The power to override a veto rests with the legislature. If a bill is vetoed during a regular session, the veto message is considered immediately. If a bill presented after the session is vetoed, the veto message must be considered immediately at the next regular or special session of the legislature, except that the legislature during the first year of a new term may not override a veto. A three-fifths vote of the elected membership in each house is necessary to override a veto.

HERE'S HOW YOU CAN UTILIZE THE MGA WEBSITE TO MONITOR LEGISLATION

<https://mgaleg.maryland.gov/mgawebsite/>

At the bottom of the Home Page, you will find a link to Video Tutorials – a great place to start (especially **):

- Intro to the MGA website
- Understanding a bill page
- Searching for bills
- Finding a legislator
- Searching media
- Bill tracking lists
- MyMGA New Account
- Witness sign up

Once you have reviewed the tutorials, spend some time exploring each of these headings.

There is a tremendous amount of information available on the MGA website.

For iPhone (iOS 11 or newer):

1. Open the Camera app.
2. Point your camera at the QR code.
3. Hold steady for a few seconds.
4. A notification banner will appear at the top of your screen.
5. Tap the banner to open the website.

For Android (most modern devices):

1. Open the Camera app.
2. Point your camera at the QR code.
3. Hold steady for a few seconds.
4. Tap the link or icon that appears on your screen.

If nothing happens:

- Clean your camera lens.
- Move slightly closer or farther away.
- Make sure lighting is adequate.
- Enable QR scanning in camera settings.
- As a last option, install a free QR scanner app.

Most smartphones can scan QR codes using the built-in camera—no app download is usually required.
